Violation Description:

Statement of Probable Cause

(For issuance of an arrest warrant or summons)

I state on March 27, 2023, while exercising my duties as a Law Enforcement Officer in the Brockton District of Massachusetts

On the above-mentioned date and time, I, Cpl. Thomas Gaughan was conducting a vehicle Patrol of the Brockton VA Medical Center in a marked vehicle while in full uniform, when I encountered a vehicle parked in Lot 2. I proceeded to check on the welfare of the occupant due to recent events within the Boston VA Healthcare System. The vehicle was warm and running with the lights on. Dashawna Burton was sitting in the driver's seat with the keys in the ignition and talking on the phone.

While talking to Burton, I could detect an odor of alcoholic beverage emanating from her breath. Burton had 2 open containers of Sutter Home Chardonnay in her vehicle.

I conducted a field sobriety test which Burton failed all three portions (HGN, One leg stand, and walk and turn), I utilized the PBT but could not get a reading due to Burton failing to follow instructions, which was considered a refusal. I utilized the Easton Police Drager Alcotest 9510 and Burton had a BAC of 0.227%.
